THE 2520

v.2 - Then the leaders of Israel, the heads of their fathers' houses, who were the leaders of the tribes and over those who were numbered, made an offering.

v.10 - Now the leaders offered the dedication offering for the altar when it was anointed; so the leaders offered their offering before the altar. 11 For the Lord said to Moses, "They shall offer their offering, one leader each day, for the dedication of the altar."

v. 84 - This was the dedication offering for the altar from the leaders of Israel, when it was anointed: twelve silver platters, twelve silver bowls, and twelve gold pans. 85 Each silver platter weighed one hundred and thirty shekels and each bowl seventy shekels. All the silver of the vessels weighed **two thousand four hundred shekels**, according to the shekel of the sanctuary. 86 The twelve gold pans full of incense weighed ten shekels apiece, according to the shekel of the sanctuary; all the gold of the pans weighed **one hundred and twenty shekels**.

2400 shekels of silver + **120** shekels of gold = **2520** total shekels

v. 87 - All the oxen for the burnt offering were twelve young bulls, the rams twelve, the male lambs in their first year twelve, with their grain offering, and the kids of the goats as a sin offering twelve. 88 And all the oxen for the sacrifice of peace offerings were twenty-four bulls, the rams sixty, the male goats sixty, and the lambs in their first year sixty. This was the dedication offering for the altar after it was anointed.

12 + 12 + 12 + 12 + 24 + 60 + 60 + 60 = **252** total animals

CHRONOLOGICAL PERFECTION

2,520 days = 7 years

49 years = 2520 weeks

25,200 days = 70 years

490 (70 x 7) years = 25,200 weeks

2,520 years = 360 years x 7 years

7,000 years = 2,520,000 days

Saints. I want to bless you with something about God and His numbers,

And this is a true hint from our "Gregorian" brother and grand-father Enoch. This is a hint from Gregorian January 1st, 2018!!!!

but first think of this...

I was just reading an article which I will attach below, which indicated Joshua and Israel crossed the Jordan and then waited 7 days, before the attack on Jericho which also lasted 7 days.

The attack on Jericho was highly complex. They would march around the city, one time each day and then on the 7th, they would march around 7 times.

On that last day of 7 run arounds, for the very first time, just a few minutes ago, I was informed and instructed to calculate the number of DEGREES that Israel transversed on that day. What? Well, OK.

$360 \times 7 = 2520$. OK. Now that 2520 is a familiar number. Further, from day 1 of the attack until day 7 of the attack, how many degrees did the sun travel around the attackers. $360 \times 7 = 2520$. Same thing with number of degrees from crossing Jordan until beginning the attack on Jericho, 2520 degrees. How many degrees will the earth transverse around the sun during the Tribulation? $7 \times 360 = 2520$. I am really proud to introduce you to this website

<http://www.twenty5twenty.net>

I spent a couple hours there reading about that number 2520 and how it has been prophetic throughout history. God has used this number and it is proof that we have a God that counts. Signs of the End have some great charts about 2520.

BUT HERE IS WHAT YOU DID NOT KNOW! (I mean I did not put this together as being related till just this morning and if you had already put this together then coodos to you.)

If you take a look at the attached picture, you see from Numbers

7:85-88 - At the dedication of the Altar at the Temple of the Lord...there were offered 2520 shekels of Gold and Silver, and 252 animals were sacrificed unto the LORD. BUT EVEN THESE NUMBERS ARE CONCEALED because you have to add them up.

See how that works? In one verse there is a mention of both 2520 the gold & silver, and then you can add to the number 252, the sacrifice of animals, which is a 10th, a tithe of 2520.

Here is what I found interesting Saints. Guess what day of the year September 9, 2018 is? Wait, based on what you know of 2520 and that there are only 365 days in a year, what day would you like, in a prophetic interest kind of way, September 9 to be...

Well if you wanted this you got it...It is day 252 of the year. After that tithe perhaps (1/10th of 2520) the real 2520 of the tribulation will kick in at some point.

I wondered what happened on earth 2520 days before 9/9/2018. Well on October 16, 2011 the papers speak of Israel being divided over a return of one of their soldiers for an exchange and release of 1027 Palestinian prisoners. There was a Global Revolution in Britian beginning about the financial system. And Assad was really stepping up his attack against his opponents in Syria and they at that point were counting about 3,000 who had died. Now that number is up to over 500,000. Can't make too much of all that but, in the end, it is mene, mene, tekel, upharsim for them. That sentence adds up to "2520" and it essentially means, "Your Number is Up." The article I referenced speaks of that. Enjoy.

Blessings Saints. Soon we rise and shine.

#415 (posts since 392 have been dealing with 9/9 counts)

Doves 22 - #419 - The Methodology of the termini of the Rev 12 Sign

CONSIDER THE REVELATION 12 SIGN METHODOLOGY,

CONSIDER THE “WHAT” THE REVELATION 12 SIGN IS POINTING TO METHODOLOGY,

THE METHODOLOGIES ARE VERY SIMILAR.

Here is the combined methodology:

“Watch the working parts. They all change at times, BUT AT ONE SPECIAL DAY, they will all come together in unison and it will be marvelous!”

TERMINUS 1 - WHEN DID THE SIGN BEGIN

The Revelation 12 Great sign was “Great” because there were many working parts, but for one short period of time, they all came together in unison when one would be on earth looking up, which is exactly what is occurring in Revelation 12. There is a reason we see the word “harpadzo” in Revelation 12. It is the beginning of another description of tribulation from beginning to end. Harpadzo BEGINS this section and we see END of tribulation language, “thunderings”, “great hailstones”, “lightnings”, and “earthquakes” at the END of Revelation 16.

Here are the WORKING PARTS for the REVELATION 12 GREAT SIGN:

- 1) A woman,
- 2) Clothed with the sun,
- 3) The moon at her feet,
- 4) Laboring to give birth,
- 5) Crowned with 12 stars.

To have all of those elements at the same time, in one sign, required 7,000 years of existence and we have only gone through 6,000 but we know it does not occur again in even the next 1,000.

TERMINUS 2 - WHAT IS WHEN THE GREAT WHAT OF THE GREAT SIGN IS POINTING TO.

The methodology for discovering the Great Sign, as shown above, wouldn't you think a similar methodology would be used as God reveals to us a complete understanding regarding the Great "What" the Great Sign was a sign of.

How do I know this? I really don't. But because I am willing to believe the Bible with regards to Genesis 1, I believe God knows I will proclaim God "TRUE" and I will proclaim man, and every textbook, or government or government agency, or theological hermeneutic, that does not agree with God's Word, a "LIAR." Most of you think you believe this but you don't quite yet. You will shortly.

Here is my methodology with regards to all the working parts of this Sign:

Remember "WHAT" is the DAY OF THE HARPADZO!

- 1) Check if there are any counts to counts associated with Church, Pentecost, Resurrections and Miracles fulfilled in some manner on

the same day as WHAT.

- a. 40;
- b. 50;
- c. 70;
- c. 120;
- d. 153;
- e. 350; (7 x 50)

2) Check to see if counts from the Great and Most Noble Symmetric Blood Moon Tetrad of all time in 2014 and 2015, give God Glory in the meanings of the words that are found by the day count to WHAT and seeing if that day count reveals some kind of “hidden clue” with their meaning as to the day of harpadzo. We are looking at words (In Strong’s Greek Concordance) and the meaning of those words, in their alphabetical order as they were used at the time of Christ, perhaps even at times by Christ.

- a. From the Mid-Point, January 5, 2015,
- b. From the First Blood Moon, April 8, 2014,
- c. From the Second Blood Moon, October 8, 2014,
- d. From the Third Blood Moon, April 15, 2015,
- e. From the Fourth Blood Moon, September 28, 2015 (SUPER)

3) Check to see find day counts from the SECOND GREAT AMERICAN ECLIPSE of August 21, 2017 to the day of WHAT and seeing if that day count reveals some kind of “hidden clue” with their meaning as to the day of harpadzo. We are looking at words (In Strong’s Greek Concordance) and the meaning of those words, in their alphabetical order as they were used at the time of Christ, perhaps even at times by Christ.

4) Check to see if day counts from the GREAT SIGN, which began on September 23, 2017 and ended on September of 24, 2018 to the day of WHAT and seeing if that day count reveals some kind of “hidden clue” with their meaning as to the day of harpadzo. We are looking at words (In Strong’s Greek Concordance) and the meaning of those words, in their alphabetical order as they were used at the time of Christ, perhaps even at times by Christ.

- a. From 9/23/2017
- b. From 9/24/2017

5) Check to see if day counts from other eclipses (He said they would be “signs”!) in these last days, 4 in 2016, 3 in 2017, 3 in 2018 to the day of WHAT and seeing if that day count reveals some kind of “hidden clue” with their meaning as to the day of harpadzo. We are looking at words (In Strong’s Greek Concordance) and the meaning of those words, in their alphabetical order as they were used at the time of Christ, perhaps even at times by Christ.

- a. Eclipses in 2016
 - i. First
 - ii. Second
 - iii. Third
 - iv. Fourth

- b. Eclipses in 2017
 - i. First
 - ii. Second
 - iii. Third

- c. Eclipses in 2018
 - i. First – January 31, 2018
 - ii. Second – July 27/28, 2018
 - iii. Third – August 11, 2018

6) Check to see if the day count from the very FIRST day of the Gregorian year, January 1, 20___, to the day of WHAT and seeing if that day count reveals some kind of “hidden clue” with their meaning as to the day of harpadzo. We are looking at words (In Strong’s Greek Concordance) and the meaning of those words, in their alphabetical order as they were used at the time of Christ, perhaps even at times by Christ.

7) Other things that God just wanted to point out because it was awesome for Him as the King to know that there were subjects that

would just love to search these things out in His Word. We will be primarily looking at Dan Matson charts in this Section.

Saints, if you are interested, I have done all these studies to be aware of all these working parts. I have not been disappointed at ANY JUNCTURE ABOVE.

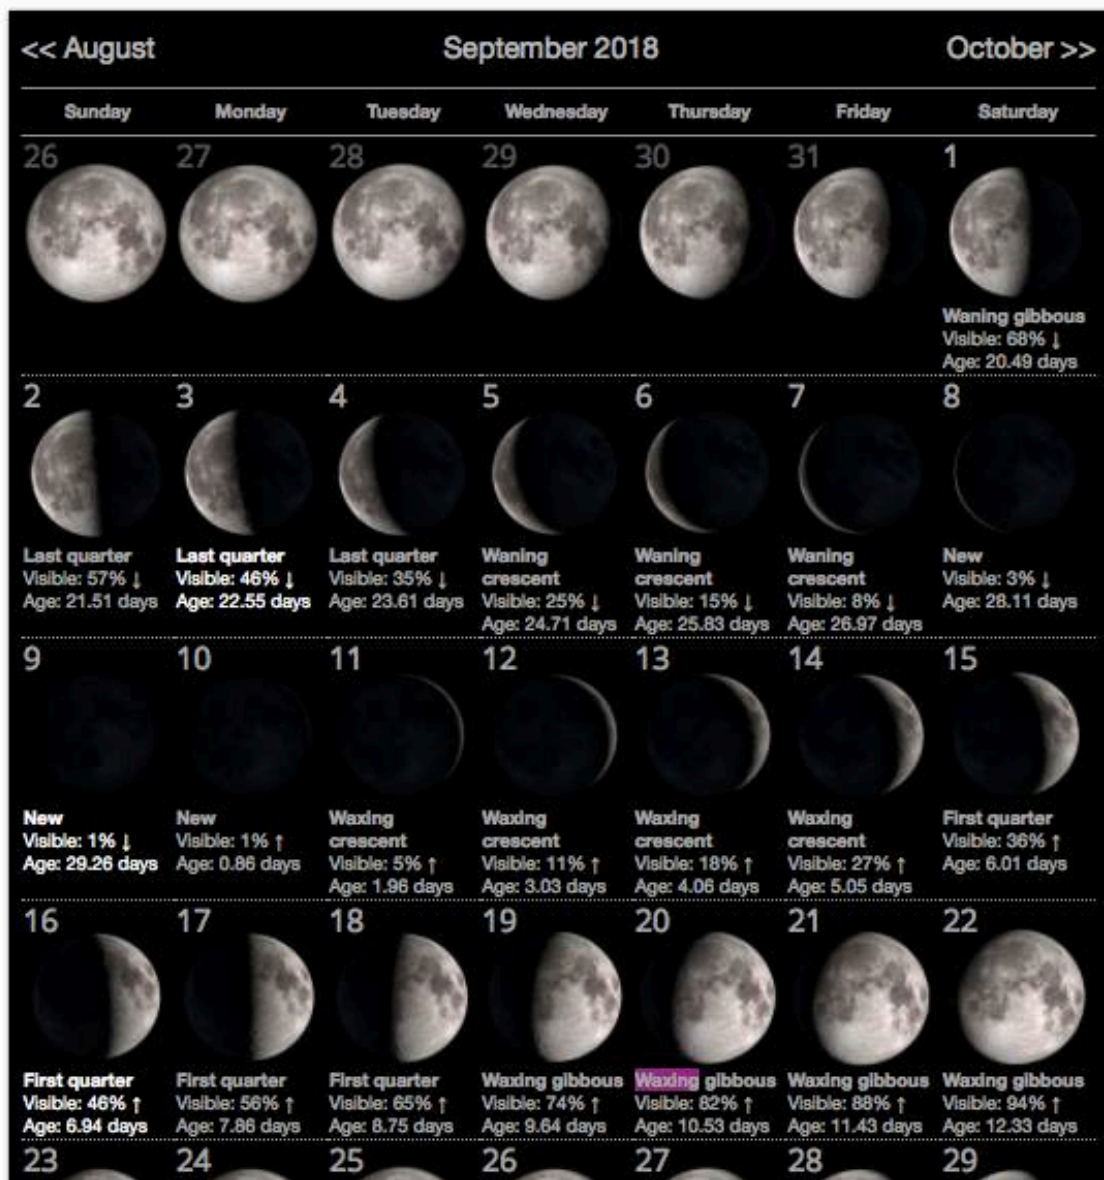

I have never seen EACH PART have a wonderful and encouraging meaning. On some days a few, and earlier THAT would excite me. Then in recent days it was some or a lot of these clues had encouraging meaning. Here is the deal...9/9 is the only day when ALL of those meanings are harpadzo related.

If you have the courage, just go over my previous posts. If you have the gift of administration, go over them and prepare a one or two page summary to explain it. Hah! I don't!

Blessings Saints. Soon we rise and shine.

#419 (8/23)

Doves 23 - #425 - The day before the New Moon is 9/9

God hates OUR new moon festivals. Not His. (Is. 1:14)

So, I was thinking (I was trying not to think of Enoch Enoch jokes) and the thought came up about looking at moon's phases for September 9th, the day I am currently interested in as perhaps the day that God has set.

So I saw the moon phase picture I have attached here and of course,

it is the darkest of new moons just as it appears (or does not appear) on the day or moments before FIRST day at Feast of Trumpets...

So look at these verses and I think, be encouraged...THE EAST GATE OF ENTRANCE TO THE TEMPLE WILL BE OPEN ON THE NEW MOON! I am not sure we are to go through that one but reserve it for the Lord. Somewhere (I will find the reference soon) there are instructions that we enter by either the North or South gate. Then when you leave, you go through to the opposite gate you came in. Wonder if that is a reference to the wise men?

But read these verses, if you dare, with harpadzo eyes..... being hidden or just NOT THERE!

1Sa 20:5

And David said unto Jonathan, Behold, to morrow is the new moon, and I should not fail to sit with the king at meat: but let me go, that I may hide myself in the field unto the third day at even.

1Sa 20:18

Then Jonathan said to David, To morrow is the new moon: and thou shalt be missed, because THY SEAT WILL BE EMPTY. [HAH! Oh that is priceless]

1Sa 20:24

So David hid himself in the field: and when the new moon was come, the king sat him down to eat meat.

2Ki 4:23

And he said, Wherefore wilt thou go to him to day? it is neither new moon, nor sabbath. And she said, It shall be well.

Psa 81:3

Blow up the trumpet in the new moon, in the time appointed, on our solemn feast day. [THERE WILL BE A TRUMP when it occurs]

Isa 66:23

And it shall come to pass, that from one new moon to another, and from one sabbath to another, shall all flesh come to worship before me, saith the LORD. [i wonder if this means we get to come to church with our dogs, cats and horses? All flesh?]

Eze 46:1

Thus saith the Lord GOD; The gate of the inner court that looketh toward the east shall be shut the six working days; but on the sabbath it shall be opened, and in the day of the new moon it shall be opened. [Not for us to use but for the Lord to use.]

Eze 46:6

And in the day of the new moon it shall be a young bullock without blemish, and six lambs, and a ram: they shall be without blemish.

Amo 8:5

Saying, When will the new moon be gone, that we may sell corn? and the sabbath, that we may set forth wheat, making the ephah small, and the shekel great, and falsifying the balances by deceit? [Oh...when?...well try starting on Monday the 10th]

Col 2:16

Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of the new moon, or of the sabbath days:

Blessings Saints. Just one more thing to keep in mind.

#425 POSTS #392 have been focused on 9/9

OK, Lions! Here is the deal. I am stuck here for now but I realize I am an alien in a strange land. I am not a citizen here. I can tell you would be very interested in just tearing me up but there is some RESTRAINT you feel. No worries, soon I will be lifted out

of here...How? Oh, they will just grab me out of here, don't worry but the good thing for all you guys, is that when they pull me out of here, they will allow you, without restraint, to go after the really, really BAD GUYS that have been identified after I am gone. That will be part of the deceit that makes everyone feel peace and safety.
