DEALING WITH THE "ALEXANDRIAN"

FIVE ECLIPSES SO FAR IN 2018 (PART 2)

5 GOD-ORDAINED ASTRONOMICAL EVENTS IN 2018 JUST MAY SPEAK NOW OF 9/9/18:

(They couldn't before as the clue was not unconcealed yet!)

1. TOTAL LUNAR ECLIPSE 1/31/2018 – 222 days to 9/9/18
2. PARTIAL SOLAR ECLIPSE 2/13/2018 – 206 days
3. PARTIAL SOLAR ECLIPSE 7/13/2018 – 59 days
4. TOTAL LUNAR ECLIPSE 7/28/2018 – 44 days
5. PARTIAL SOLAR ECLIPSE 8/11/2018 – 30 days

The rapture is something that God does. Amos 3:7 says that if God does something He tells His prophets. It is in the Bible. And in

Proverbs 25:2 we are also told He conceals truth and wants us to find it at the appropriate time, and Daniel 12:4 tells us that in the last days concealed truth would be revealed. So I gather that since His gathering is near, NOW is the appropriate time to look at information no one has looked at before. They couldn't! We have not had the clue about September 9 available even a month. This is new information. It won't be in anyone's commentary.

This first lunar eclipse mentioned above is kind of amazing. Let me take you on a tour of information related to that eclipse on January 31, 2018.

1. TOTAL LUNAR ECLIPSE 1/31/2018 – 222 days to 9/9/18. This is interesting. The word at Strong's Gr. 222 means "ALEXANDRIAN". It's use in Scripture is to give us the origin of the Egyptian ship that was used to transport Paul to Rome and this is the ship that went aground at Malta where Paul got bit by a snake.

"ALEXANDRIAN" is Strong's Gr#222. Here is something interesting about that ship. Act 28:11 And after three months we departed in a ship of Alexandria, which had wintered in the isle, whose sign (figurehead) was Castor and Pollux.

What this verse is saying is that the ship, a "222" had the twin mythological demi-gods, Castor and Pollux, as its figurehead. 222 and TWINS?!?!?! You can read about Castor and Pollux here....

<https://mythology.net/greek/mortals/castor-and-pollux/>

Couple interesting facts are that Castor and Pollux were demigods whose job was protection of humans. Well the ship crashed in a storm, bad job Castor and Pollux...but then again...none were lost. I think this is due to Paul's prayer to Jesus and nothing else.

Castor and Pollux are represented by twin snakes. It was a snake that bit Paul when they finally got safely on shore. That was bad, but

the fact that Paul survived, a miracle to the locals, made the locals think he was a god of some kind and so Paul was invited to speak to the head honcho on Malta. That sounds so typically like the way our Lord works when the Gospel is being spread. Saw many miracles like that when doing door to door (really curtain to curtain) evangelism with translators in the eastern mountains of India.

This number "222" is often thought of as a number representative of the divine second person of the Godhead. As 111 would represent the Father, and 333 representing the Holy Spirit, "222" represents Jesus Christ. "888" represents resurrected Jesus now made anew and we have seen that number plenty of times.

Here is where it gets even more interesting. I hope you read my post (previous one or two) about the number 37 and how it has come to mean "inheritance" The Hebrew letters that make up 37 are letters that mean "authority" and "cutting a covenant." Put those letters together and you get the idea of a promised inheritance. Abraham was given a promise, a covenant, and it was ONE-SIDED. God obligated Himself to give Abraham an inheritance. That occurred when God met Abraham and the animals were cut in half and JUST GOD walked between the two halves. As of that point, Abraham had an inheritance. He had a "37"! Genesis 15:10 And he took unto him all these, and divided them in the midst, and laid each piece one against another: but the birds divided he not.

Does man have an inheritance? Yes if a man possesses HIM who is 222, in their heart, who became 888 at the resurrection, they have an inheritance.

Take the number of man "6" and multiply it by an inheritance "37" and you have "222." As a matter of fact multiply "37" times the number of elders or 24, and when we see Jesus next, it will be the 888 Jesus. (24x37). Now THAT's an INHERITANCE!

So now I am ready. Please ask me if the TOTAL LUNAR ECLIPSE on 1/31/2018, which is 222 days from 9/9/18 has any significance to our count to September 9, 2018.

I will tell you a story about Roman demi-gods, an Egyptian ship, the second person of the Godhead, Paul and a snake, and the meaning of 6 x 37 and the fact that because I know “Mr 222” is mine, I will have an inheritance. You know what? This blesses me. I hope it does you.

Blessings Saints. Soon we rise and shine.

For reviewing and bereanizing.

<.....10.....7.....3.....1?>

MARKERS:

If you have read my previous 10 or so posts you know that certainly, September 9, 2018, is at this point, a highlighted date. This day certainly has more highlight than usual but IT REMAINS SIMPLY A HIGHLIGHTED DATE. We can't as yet say, "This is it!" We have to be careful about concluding it must be this date. The date is highlighted but not confirmed.

What I love is the fact that God has highlighted a date and this day is still 3 weeks away!!!! SO, here is the deal. I am so happy! We get to test this conclusion as the days go by. We continue our witness, work, and ministry as we continue to look and study. BUT WE GET TO TEST THE IDEA and after these days have gone by, Saints, we will discuss a conclusion as to whether or not the Lord gave us anything to confirm any of these "tests". Stay tuned. Wait..."do not test the Lord"...OK...that just came across my Spirit...I am not testing...I am simply saying,

"Lord! You have our attention! We are watching intently. If you wish or do not wish to give a confirmation, that is OK with us! We will still, even without confirmation, be interested in what you might do on this last day of the civil year. Amen, Maranatha! We mean it. We are just Gentiles seeking wisdom is all. We usually think we have it in Your Word."

On the basis of Scripture alone, so don't give me a hard time about this please, I am simply setting out 4 fleeces that come from Genesis (1&7), the Gospels (3), and Revelation (10).

THESE ARE NOT GOD-TESTS, THESE ARE DAY-TESTS! A natural and necessary result of watching.

THE 10-DAY TEST: Thursday or Friday, 8/30 or 8/31

There is a verse in Revelation 2:10 which suggests SOME part of the Church, would have tribulation 10 days. What does that mean? Yes, I know some have tried to explain this verse. I have listened to many sermons and read many articles. So far, the teaching I have received is not satisfying to my soul. Hey! If you have something satisfying please leave a comment.

Rev 2:10 Fear none of those things which thou shalt suffer: behold, the devil shall cast SOME of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.

If the Church is raptured, there is no part of the Church that can experience any part of the Tribulation because we have all been taken. So one of the ways I have considered how this verse might be fulfilled is to look and see if some part of the Church on earth, goes into great persecution starting on August 31. That is 10 days before 9/9.

THAT, would be more than a clue...it would be a confirmation.

May I tell you a fear of mine? My fear is for millions of Christians in China. China may be the nation with the most amount of Christians. BUT, advances in AI and the ability to control, surveil and put a "citizenship grade" on each citizen is all being advanced now. It seems the persecution there is so immense. I pray for my brothers and sisters there. Not leaving out Christians in any persecuting country.

THE 7-DAY TEST: Sunday or Monday, 9/2 or 9/3

Further, Noah was given a very direct sign that the end was soon to come 7 days before the flood. That was when he and his family and

the animals were safe on the ark. That happened 7 days before the rain began on the 17th of the month.

Gen 7:9 There went in two and two unto Noah into the ark, the male and the female, as God had commanded Noah. 10 And it came to pass after seven days, that the waters of the flood were upon the earth.

That day then, when we might receive a NOAH sign, of some kind, would be Sunday 9/2 or Monday 9/3. Let's see if God "confirms" what we are looking at for 9/9.

THE 3-DAY TEST: Thursday of Friday, 9/6 or 9/7

Additionally, there are so many who see in the burial and resurrection of Christ, a 3 day sign of some kind. Some suggest darkness. I don't know, but that would be on Thursday 9/6 or Friday 9/7.

Jhn 2:19 Jesus answered and said unto them, Destroy this temple, and in three days I will raise it up. 20 Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days?

Yuk it up there Jews! That's not what He was saying! We shall see if in some manner, we are given a three day sign. Something like the sign of Jonah? This may require the wisdom of many Saints.

THE 1-DAY TEST: Saturday, 9/8

I think things were escalating with Lot. The angels had come to the city. Lot knew they were not safe except they came and stayed with him. Then there is that rucus when the crowd demanded that Lot bring the angels out. Then Lot offers his daughters to the crowd and

then the angels bring them back in to temporary safety. Then... Lot ... has to face his daughters! "Dad! What were you thinking?!?!?!?!?" Yikes!

Gen 19:9 And they said, Stand back. And they said again, This one fellow came in to sojourn, and he will needs be a judge: now will we deal worse with thee, than with them. And they pressed sore upon the man, even Lot, and came near to break the door. 10 But the men put forth their hand, and pulled Lot into the house to them, and shut to the door.

I just wonder if the hours before the harpadzo of the Church, there is somewhere, a similar escalating deterioration of civility, humanity really.

CONCLUSION

So we await either no confirmation, or a 10 day confirmation, or a 7 day confirmation or a 3 day confirmation, or a 1 day confirmation, or even ALL OF THESE, Lord Willing! Wouldn't THAT be something?!?!?!?

Remember Saints. God does not NEED to do anything on these days. But there are a boatload of believers out here that would love for some kind of a confirmation on these important days before the day of September 9th that has been highlighted over and over again by Scripture draws near. We are certainly watching the decay of culture, society, media, communication, politics, and the earth and by these things alone, we know His gathering is near.

Blessings Saints. Soon we rise and shine.

#404 (posts since 392 have been dealing with 9/9 counts)

Doves 13 - #405 - Four Eclipses of 2017 point to 9/9/2018

FOUR ECLIPSES IN 2017

4 GOD-ORDAINED ASTRONOMICAL EVENTS IN 2017 MAY SPEAK NOW OF 9/9/18:

(They couldn't before as the 9/9 clue was not unconcealed yet!)

OK. Since 2017 was the year of the Great Sign, and from that we know that God is DEFINITELY considering signs in the sun, moon, and stars in these very last days. So, let's look at the eclipses that occurred in 2017 and then see if the Greek words, indicated by the day gap to this day of interest, have any meaning that might be related to a rapture on 9/9/2018.

1. PENUMBRAL LUNAR ECLIPSE, 2/11/2017, 576 days to 9/9/18
2. ANNULAR SOLAR ECLIPSE, 2/26/2017, 561 days to 9/9/18

3. PARTIAL LUNAR ECLIPSE 7/28/2017, 399 days to 9/9/18
4. TOTAL SOLAR ECLIPSE, 8/21/2017, 385 days to 9/9/18

Again...the reason for completing a study like this...

The rapture is something that God does. Amos 3:7 says that if God does something He tells His prophets. It is in the Bible. And in Proverbs 25:2 we are also told He conceals truth and wants us to find it at the appropriate time, and Daniel 12:4 tells us that in the last days concealed truth would be revealed. So I gather that since His gathering is near, NOW is the appropriate time to look at information no one has looked at before. They couldn't! We have not had the clue about September 9 available even a month. This is new information. It won't be in anyone's commentary.

QUICK SUMMARY IS ALL WE NEED! IT IS CLEAR!:

1- February 11, 2017 – 576 days to 9/9/2018. The Greek word for Strong's Gr. # 576 is apobaino, "TO COME OUT OF"

2- February 26, 2017 – 561 days to 9/9/2018. The Greek word for Strong's Gr. # 561 is apenanti, "TO BE IN PRESENCE OF"

3- August 7, 2017 – 399 days to 9/9/2018. The Greek word for Strong's Gr. # 399 is anapheró, "TO CARRY OR LEAD UP"

4- August 21, 2017 – 385 days to 9/9/2018. The Greek word for Strong's Gr. # 385 is anaspáo, "TO PULL UP OR DRAW UP"

SAINTS! LOOK AT THOSE WORDS. THOSE ARE RAPTURE WORDS! I don't even need to preach on them. It is obvious.

Saints, when I did this study yesterday I was actually a little nervous. I knew of the day count from the 8/21 Great American Eclipse (385 days). I had done that analysis already and had been encouraged, even back on August 7 when I made my post #372. Wow! That

seems so long ago now. Anyway, with trepidation I entered into this study because if the words were not related, it would have discouraged me about this whole process. However, I had not done the analysis on the other eclipses in 2017. You can imagine, as I looked at each one, how excited I was to see that God seems to be clearly marking this day.

In fact, yesterday, the last one I looked at was Strong's Gr#399 anapheró, "TO CARRY OR LEAD UP" and when that completed the four, I was so excited I had to take a walk and just praise God for a while.

Hope you are encouraged by this as I was.

Blessings Saints. Soon we rise and shine.

#405 (posts since 392 have been dealing with 9/9 counts)

Doves 14 - #406 - Four Eclipses of 2016 point to 9/9/2018

FOUR ECLIPSES IN 2016

4 GOD-ORDAINED ASTRONOMICAL EVENTS IN 2016 MAY SPEAK NOW OF 9/9/18:

(They couldn't before as the 9/9 clue was not unconcealed yet!)

Saints. I have done these calculations for 2018, 2017, and for the Tetrad in 2014 and 2015. So my immediate question was "No signs in 2016?"

So, let's look at the eclipses that occurred in 2016 and then see if the Greek words, indicated by the day gap to this day of interest, have any meaning that might be related to a rapture on 9/9/2018.

1. TOTAL SOLAR ECLIPSE, 3/9/2016, 915 days to 9/9/18
2. PENUMBRAL LUNAR ECLIPSE, 3/23/2016, 901 days to 9/9/18
3. ANNULAR SOLAR ECLIPSE 9/1/2016, 739 days to 9/9/18

4. TOTAL SOLAR ECLIPSE, 9/23/2016, 724 days to 9/9/18

Again...the reason for completing a study like this...

The rapture is something that God does. Amos 3:7 says that if God does something He tells His prophets. It is in the Bible. And in Proverbs 25:2 we are also told He conceals truth and wants us to find it at the appropriate time, and Daniel 12:4 tells us that in the last days concealed truth would be revealed. So I gather that since His gathering is near, NOW is the appropriate time to look at information no one has looked at before. They couldn't! We have not had the clue about September 9 available even a month. This is new information. It won't be in anyone's commentary.

I don't think of this as numerology or gematria, God created His Word. He knows there is an alphabetical order to the words He uses. Why wouldn't the alpha and omega know the order of the words He uses. That alphabetical order was compiled in Strong's Concordance. God knows the alphabetical order number of each word. The creation of the Bible is as much a miracle as the creation of the heavens. God is the one that started this. From the last blood moon of the 2014/2015 Blood Moon Tetrad on 9/28/2015 there was 726 days until the Great Sign of September 28, 2015. That Greek #726 was "harpadzo", the rapture. In this study, the eclipse of 9/23/16 (sound familiar? 9/23?) was exactly 2 years from the Great Sign and 724 days from our day of interest 9/9. That 724 is related to 726 harpadzo. That is what started this looking at eclipses. This is God at work to encourage us in the last days.

QUICK SUMMARY:

1- March 9, 2016 – 915 days to 9/9/2018. The Greek word for Strong's Gr. # 915 is barbaros, "BARBARIAN" but wait, this is cool, you think when raptured everyone up there will look like you? No! This NATION of raptured souls will be barbarians, they will be people from every nation, even those considered BARBARIAN. This is a

perfect description of what it will be like before the throne.

2- March 23, 2017 – 901 days to 9/9/2018. The Greek word for Strong's Gr. # 561 is bathus, "IN DEPTH OF EARLY MORNING" Is this a clue about timing?

3- September 1, 2016 – 739 days to 9/9/2018. The Greek word for Strong's Gr. # 739 is artios, "PERFECT AND COMPLETE" Exactly! The rapture occurs when the time is perfect and complete.

4- September 23, 2016 – 724 days to 9/9/2018. The Greek word for Strong's Gr. # 724 is harpagé, "TO PLUNDER, " This word 724 – "har pa ge" is related to 726 – "har pa dzo". In a sense, at the rapture, God plunders the earth and takes out the righteous. The earth would rather have the righteous. We balance things out. Sorry, God wants us out so he gathers.

SAINTS! AGAIN LOOK AT THOSE WORDS. THOSE ARE RAPTURE WORDS!

For further analysis on these words here is more detail.

◀ 915. barbarous ▶ barbarian - indicates their diversity yet without reproach to foreigners

Strong's Concordance

barbaros: barbarous, barbarian

Original Word: βάρβαρος, ου, ὁ

Part of Speech: Adjective

Transliteration: barbaros

Phonetic Spelling: (bar'-bar-os)

Short Definition: a foreigner who speaks neither Greek nor Latin

Definition: a foreigner, one who speaks neither Greek nor Latin; as adj: foreign.

Thayer's Greek Lexicon

STRONGS NT 915: βάρβαρος

βάρβαρος, βαρβαρον;

1. properly, one whose speech is rude, rough, harsh, as if repeating the syllables βαρβαρ (cf. Strabo 14, 2, 28, p. 662; ὠνοματοπεποιήται ἡ λέξις, Etym. Magn. (188, 11 (but Gaisf. reads βραγχός for βάρβαρος); cf. Curtius, § 394; Vanicek, p. 561)); hence,

2. one who speaks a foreign or strange language which is not understood by another (Herodotus 2, 158 βαρβάρους πάντας οἱ Αἰγύπτιοι καλεουσι τούς μή σφισι ὁμογλωσσους, Ovid. trist. 5, 10, 37 barbarushicegosum, quianonintelligorulli); so 1 Corinthians 14:11.

3. The Greeks used βάρβαρος of any foreigner ignorant of the Greek language and the Greek culture, whether mental or moral, with the added notion, after the Persian war, of rudeness and brutality. Hence, the word is applied in the N. T., but not reproachfully, in Acts 28:2, 4, to the inhabitants of Malta (i. e. Μελίτη, which see), who were of Phoenician or Punic origin; and to those nations that had, indeed, some refinement of manners, but not the opportunity of becoming Christians, as the Scythians, Colossians 3:11 (but cf. Lightfoot at the passage).

[SAINTS, I THINK THE FOLLOWING IS THE MOST IMPORTANT PARAGRAPH]

But the phrase Ἕλληνες τέ καί βάρβαροι forms also a periphrasis for all peoples, or indicates their diversity yet without reproach to foreigners (Plato, Theact., p. 175{a}; Isocrates, Euag c. 17, p. 192b.; Josephus, Antiquities 4, 2, 1 and in other writings); so in Romans 1:14. (In Philo de Abr. § 45 under the end of all nations not Jews. Josephus, b. j. prooem. I reckons the Jews among barbarians.) Cf. Grimm on 2 Macc. 2:21, p. 61; (Lightfoot on Col. as above; B. D. under the word).

Doves 15 - #407 - Martha's LAST DAY. Which of the three? Adar 29, Elul 29 or Tishri 22? Elul 29 is perhaps the real LAST DAY for Lazarus. Elul 29 is 9/9

THE LAST DAY (Martha? What were you saying?)

MOST BELIEVE THE FEAST THAT JESUS WAS PRESENT IN JERUSALEM FOR IN JOHN 7 WAS THE FEAST OF TABERNACLES.

The Feast of Tabernacles was a 7 day feast BUT THEN on the 8th day there is the LAST GREAT DAY of the Feast.

I actually think there will be a resurrection of Old Testament Saints, and Tribulation Saints raised on that day.

SO, when Jesus stands up on the last great day of Tabernacles, well... people listen:

Jhn 7:37 In the last day, that great day of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. 38 He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.

So maybe Martha was in the vicinity when Jesus was preaching so she knows that from what he said on the last great day of the feast, that the resurrection would occur, if ever, on the last great day of the feast. Thus, when Jesus inquires she says...

Jhn 11:24 Martha saith unto him, I know that he shall rise again in the resurrection at the last day.

And that might make perfect sense but that Jesus later says in John...

Jhn 12:48 He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day.

Same "Last Day" or another "Last Day"?

I think the resurrection of Lazarus changed Lazarus' LAST DAY from Tishri 22 to Elul 29. If you know what I mean you will be blessed.

Saints! I am just so glad that September 9, 2018 is ONE OF THE POSSIBLE LAST DAYS!!!! AMEN!!!!

Here is the deal. Nisan 1, from which you count to Passover on Nisan 14th could be considered the first of the year. But that would mean the day before, Adar 29 or whatever, would be the LAST DAY.

However, No one puts much notice in Adar 29. Nisan 1 Yes! Adar 29...who cares? That is not the "last day" we are seeking.

How about the last day of the ecumenical Jewish year. That would be the Last Day of the Feast of Tabernacles! That is that Last Great Day of the Feast when Jesus spoke. That would be the last part of the last Fall Feast and thus un the month of Tishri. THAT could be considered the LAST DAY that Martha was referring to. After all Jesus did not say, "That's Not It!" He simply did not object.

BUT, there is another year duration and that is the Jewish Civil Year. That starts at Feast of Trumpets, Rosh Hoshanna, THE HEAD (1ST) OF THE YEAR! Well if that is the head, the first of the year, we know the last day of the year. would be the day before that. THIS YEAR, THAT LAST DAY... IS SEPTEMBER 9, 2018. I don't think Martha knew about that day yet as the rapture of the Church because the rapture then was still a mystery until Paul taught about it.

BUT, just like the High Priest said, "It is expedient than one man should die for the nation." and didn't have a clue that it was absolutely AND REMARKABLY true, so was Martha's statement, though she was probably thinking about the 8th day, the Last Great Day of the Feast of Tabernacles, but God knew and allowed her to say what she said without Jesus objecting. I find this amazing.

I am glad that this remains a possibility. It seems the world is quickly heading towards a temperature that may result in spontaneous combustion.

Other ways to look at different "LAST DAY" issues are found in this article...

Three "LAST" days:

Adar 29 (the day before Nisan 1 where the counts begin), or
Elul 29 (the day before Tishri 1 - Feast of Trumpets), or

Tishri 22 (the Last Great Day of Succot).

I am going with Elul 29 I believe.

Blessings Saints. Soon we rise and shine.
