Dear John Tng and all Faithful and Beloved Doves

Subj: A Miraculous 3rd Confirmation of '262' and '263'—Isaiah 21:1-10 to be Fulfilled Now—Rapture then S/D—Everyone Please Read This!

What has got you excited now Harvey Troyer? Thanks for asking!

1. The Lord showed me that day 262 and 263 on the Charity Template Timeline from November 1, 2012 (Cheshvan 17) are linked by Gematria on the Bible Wheel to Isaiah 21:1 and Isaiah 21:10, respectively, which define the core verses (Isaiah 21:1-10(NIV—1984) of Desert Storm War 3.

2. The Lord sent an Earthquake on Sunday October 13, 2013 with the parameters 3.7 and 261 to confirm finding number one. Notice also that it was timed at 01:14:08 where the 1 = (New Beginnings; Union, Division; Unity) 14 = (Deliverance and Salvation); 8 = (New Birth; New Beginning).

3. On November 17, 2013 the Lord showed me the numbers 261, '262' and '263' again in a most unusual way. Check this out exactly the way I was led to make this discovery. In my last Five Doves post on November 12, 2013 I posted a 16 Page PDF article that made a very strong case for a 180 degree Pole shift close to November 7, 2013. Please, read this post.

First I remembered Gerlinda's Post March 9, 2013 responding to my article of March 6, 2013 on Pole Shift.

"Nicole Poon's vision of Pole Shift?"

When I saw this one particular drawing by Nicole Poon, I believe in my heart, that it could be speaking about the Pole Shift (as the ice seems to indicate) that will take place with the faithful ones called up. **I pray that Harvey Troyer's revelation about that taking place on March 11th is correct.**

We are so anxious, trying so hard to be patient. Thank you Nicole and friend that draws for this. Gerlinda ← **Thank you Gerlinda for sharing your amazing insight!**

I urge you to take a quick look at the amazing information in the post!

Now I have shown to you how I made the connection to Nicole Poon's Vision of the Pole Shift Photo 6 of 45 from March 3, 2013. So I decided to follow Psalm 90:12 and after prayer the Holy Spirit directed me to count the number of days from March 3, 2013 to Monday, Monday November 18, 2013. There were 260 days. I immediately saw what was coming and I confirmed it by the following calculations from wolframalpha.com

[How many days are there from March 2, 2013 to November 18, 2013?](#) **Answer: 261 Days** ←Note: March 3rd started @ sunset on March 2nd

[How many days are there from March 2, 2013 to November 19, 2013?](#) **Answer: '262' Days** ←Note: November 18 becomes November 19 (Tuesday) @ sunset. This cusp between Monday and Tuesday is the perfect time for the Rapture. Remember that Christchurch, Nz reaches midnight first starting Tuesday.

[How many days are there from March 2, 2013 to November 20, 2013?](#) **Answer: '263' Days** ←Note: November 19 becomes November 20 (Wednesday) @ sunset. So folks, two tremendous events (Meetings) are planned for Wednesday November 20, 2013! If the Rapture happens first, these meetings will undoubtedly be preempted. The uncertainty at this critical juncture (**before these meetings** between Putin and Netanyahu as well as the Five Nuclear World Powers plus one's Meeting in Geneva over the Iran Nuclear debacle) could explain why many nations (ethnicities) will turn on each other and destroy each other according to the Bible. Think about this possibility. The battle lines are in a total disarray as to who supports who.

Remember that on the Bible Wheel.Com, Gematria **262** is linked to Isaiah 21:1 and Gematria **263** is linked to Isaiah 21:10, respectively, **which define the core verses (Isaiah 21:1-10(NIV—1984) of Desert Storm War 3**, as I have already pointed out repeatedly. What are the odds that this alignment of days could have happened be accident? The odds would have to be in the

Billions to one. In my mind it is impossible for all this to have happened by coincidence or accident. Whether the Rapture happens now or this becomes yet another warning date will be revealed to us all very soon. This should really wakeup the doubters.

3rd March 2013/ Photo 5 of 45

I praised God," for You are the beginning and also the end, You create all, we all are Your creations, we come to You, come soon and let us have the readiness."

God showed a big hole appeared in the sea of the earth, the countless white souls going upward from that to an object. And the other two else were leaving.

[HT Note: Precious people, this is absolutely the Resurrection of the Dead in Christ! Notice that this is the picture preceding the above Photo 6 of 45 March 3, 2013. This is a great sign of the Rapture and Sudden Destruction being extremely imminent.]

I could fill up many more pages with amazing examples; but, time does now allow it. This should be enough to convince you. Pray that the Holy Spirit will confirm to you whether this is the truth or not.

Please read the following Key Articles from Debkafile to better understand what is at issue with the **two critical Meetings on Wednesday November 20, 2013** as I mentioned above.

Hollande and Netanyahu to consider forming a joint French-Israeli-Arab front against Iran

DEBKAFfile **Exclusive Analysis November 16, 2013, 4:10 PM (IDT)**

French President Francois Hollande's first visit to Israel.

French President Francois Holland and Foreign Minister Laurent Fabius arrive in Jerusalem Sunday, Nov. 17. Their talks with Israel's leaders are likely to determine how France, Israel and Saudi Arabia respond to the Obama administration's current Middle East moves, with critical effect on the next round of nuclear talks taking place in Geneva Wednesday, Nov. 20 between six world powers and Iran.

France will be given the option of aligning with the Middle East powers - **Israel, Saudi Arabia, the UAE and Egypt - which challenge**

President Barack Obama and Secretary of State John Kerry's race for détente with Tehran.

If he accepts this option, the next decision facing President Hollande will be whether, how and when this grouping is willing to consider resorting to military action to preempt a nuclear-armed Iran. **This option has been abandoned by Washington, a decision succinctly articulated Tuesday, Nov. 12, by White House Press Secretary Jay Carney:**

“The American people do not want a march to war,” he told reporters. Therefore: “...spoiling diplomatic talks with Iran would be a march to war.” **Ergo**, opponents of a US-Iranian deal – Carney omitted mention of Iran’s military nuclear program to leave US negotiators a free hand for easy terms – are pushing for war.

Hollande and Netanyahu will have to decide between them whether to create a joint French-Arab-Israeli military option to fill the gap left by Washington’s abdication from the war choice and, if so, whether, how and when to exercise it.

Foreign Minister Fabius, whose vote torpedoed the original US proposal for Iran at the first Geneva conference, **analyzed the implications of Obama’s policy in a lecture this week marking the 40th anniversary** of the French Policy Planning Staff, which largely shapes Paris government foreign and defense policies.

He said: “The United States seems no longer to wish to become absorbed by crises that do not align with its new vision of its national interest. Because nobody can take the place of the United States, this disengagement could create major crises left to themselves. **A strategic void could be created in the Middle East, with widespread perception of Western indecision.**”

The self-evident corollary to this diagnosis is that by foregoing resistance to the US-Iranian understanding, France, Saudi Arabia and Israel would share America’s responsibility for the major crises erupting in the region, which none of them would be able to control.

debkafile sees another dimension to this argument: Paris, Riyadh and Jerusalem do not feel guilty of wantonly attacking the Obama outreach to Iran; they rather feel they were driven into a corner by a policy inimical to their interests and from which they were forced to step aside.

Although confronted at home with anger over soaring prices and rated one of the most unpopular French presidents in recent times, **Hollande instructed his foreign minister at the six-power negotiations in Geneva on Oct. 9 to stick France's neck out and challenge the American proposal for a deal with Iran.**

The French president also chose to visit Israel at a moment of high vocal discord between the Obama administration and Binyamin Netanyahu, with Washington acting to isolate the Israeli leader for his stand-up fight against what he calls "a very bad deal" with Tehran.

However, the French president felt the need to talk to Netanyahu at this stage, before deciding whether or not to pick up the gauntlet thrown down by his foreign minister and continue to pursue an independent French path against the Obama administration – possibly, hand in hand with likeminded Middle East governments.

Hollande's decision is also of high significance for Netanyahu when he meets Russian President Vladimir Putin in Moscow next Wednesday, Nov. 20.

It will determine whether he stands alone on the key issues or is backed by France and Saudi Arabia. In any case, the prime minister will try and sound Putin out on how far Russia is willing to go to fill the "strategic void" left by America in the Middle East. He will ask whether Moscow is willing to work ad hoc with Israel, France, Saudi Arabia and Egypt, to defeat Obama's Middle East moves – even though each has its own individual interests to look after.

The decisions reached by the French president and Israeli prime minister are therefore of critical import to the next round of nuclear negotiations with Iran next Wednesday.

Mossad and Saudis work on contingency plans for attack on Iran - report

DEBKAFfile November 17, 2013, 8:08 AM (GMT+02:00)

The Sunday Times reports that Riyadh has given its consent for Israel to use Saudi airspace for a potential attack on Iran in the event that the deal formulated in Geneva Wednesday does not curb Iran’s progress toward a nuclear weapon. The paper quotes a diplomatic source as saying the Saudis are willing to assist in an Israeli attack by cooperation on the use of drones, rescue helicopters and tanker planes. “Once the Geneva agreement is signed, the military option will be back on the table,” say the Saudis.

**Washington Post: Israel to provide Arabian Gulf with defense shield**

**DEBKAFfile November 17, 2013, 8:17 AM (GMT+02:00)**

As the US winds down its Middle East interests, the Gulf emirates and Saudi Arabia have asked Israel to provide them with a military shield, in the expectation of the six powers signing a deal in Geneva Wednesday that leaves Iran with a nuclear weapon capacity. They fear that US forces in the region will henceforth be guided by the understandings reached between Washington and Tehran in preference to their own security, says the WP.

France is in favor of an interim nuclear agreement with Iran based on four points, President Francois Hollande told a joint press conference with Binyamin Netanyahu in Jerusalem Sunday night: All Iranian nuclear installations must be put under international supervision right now; 20 percent uranium enrichment must be suspended; existing stocks reduced and construction halted of the Arak heavy water plant. All parties say they are optimistic that the interim deal sought by the US will be confirmed in Geneva Wednesday.
