

## Will September 23, 2020 Make the Sequence: Man – God – Man – God – Man?

Notice this sequence:

Man – God – Man – God – Man

Each represents a different event separated by as little as two years to as much as three and a half years. Those called “man” represent acts of man. Those called “God” represent acts of God.

Notice the “man” in the middle (smile)

That “man” in the middle represents what “man” did on September 23, 2015.

Namely, the current Pope, for the first time since becoming Pope, came to the United States and met with the leader of the current most powerful nation of all the nations which arose out of the people who made up the Roman Empire.

Count exactly 1260 days before this “man” in the middle event to April 11, 2012. This date represents what “God” did, namely the largest strike-slip earthquake ever recorded. It hit in the ocean off the coast of Sumatra in Indonesia with the sea and the waves roaring.

*And there shall be **signs** in the **sun**, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; **Luke 21:25***

Speaking of signs, let’s now count exactly 2 years after the original “Man” in the middle event to September 23, 2017. It has been recorded that a sign made of the sun, moon, and stars fulfilled Revelation 12:1 on September 23, 2017. This would again represent what “God” did.

*And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: **Revelation 12:1***

Now, going back in time from the “man” in the middle event another 1260 days, which is 42 months of 30 days which is 3 ½ years of 360 days for a total of 2520 days to October 29, 2008. On this date, “man” presented a 30 minute sales pitch when people from around the world tuned in to what they thought was going to be the start of a World Series baseball game. This sales pitch was to sell the world that its savior, its prince of peace, was up for election to be the next President of the United States in 6 days. And it was time for a “Change”.

Finally, going forward in time from the “man” in the middle event exactly 5 years, exactly 3 years after the Revelation 12 sign, will bring us to September 23, 2020.

We shall shortly see.

Shalom,
